

**Institute of Sound,
Communications
and Visual Engineers**

Your opportunity to become a
Supporting Member

COMMITTED TO TECHNICAL EXCELLENCE

Your opportunity to become a Supporting Member

Over the past decade, the ISCVE has doubled its membership and in order to keep pace with this progressive path we ideally need to recruit a commensurate number of Supporting Members.

An invitation is therefore extended to specially selected prestigious companies who will strengthen our efforts to provide greater perspective and engagement between individual members and wider commercial enterprise.

You will recognise the pace of technical change, the development of new practices, the introduction of revised standards and how these are applied within the world of sound installation. Essentially every aspect needs to be accurately communicated throughout the industry.

In return for maintaining vibrancy within the ISCVE, you will be rewarded with an attractive package that includes:

- ✓ 10% discount on exhibition stand space at ISCVE exhibitions.
- ✓ Priority booking at ISCVE exhibitions.
- ✓ Authorisation to use ISCVE Supporting Member logo.
- ✓ 10% discount on advertising in ISCVE publications.
- ✓ Invitation to submit editorial copy for ISCVE publications.
- ✓ Complimentary copies of ISCVE e-newsletter
- ✓ FREE link to your company website.
- ✓ Access to Company document templates such as employment contracts, risk assessments, method statements etc
- ✓ Electrical Certification Board site entry permits designating 'sound engineer' and 'AV engineer' for your staff that are ISCVE members upon successful completion of the HS&E and Electrical Safety assessments.
- ✓ FREE access to technical advice via tech@iscve.org.uk for all staff members.
- ✓ Reduced fees for all staff attending ISCVE events, seminars and training courses.
- ✓ Discounted British Standards documentation.
- ✓ Invitation to attend the Annual Networking Dinner with discount options.
- ✓ Add your company name to the list of ISCVE Supporting Members whenever this is displayed at exhibitions, in publications, and on the website.
- ✓ FREE opportunities to advertise job vacancies on ISCVE website.
- ✓ A framed certificate will be presented to a company representative.
- ✓ A Supporting Membership plaque will be provided for boardroom or showroom display.

Can we call on your support?
