

Standards Committee – Function

The standards committee is a sub committee of the ISCVE council and is made up of ISCVE members who have been proposed by ISCVE council. It shall consist of a Chair and committee members.

It is the role of the standards committee to:

- Recruit ISCVE representatives on individual BSi committees and advise the Secretariat of the names of all the representatives.
- Ensure all ISCVE representatives agree to feedback to the Chair of the standards committee after each standards meetings.
- Provide quarterly reports to be submitted to the President in advance of the council meetings.
- Provide editorial content to the Secretariat for the ISCVE eNewsletter.
- Keep an up-to-date list of Standards on ISCVE website page and show current status.
- Liaise with the training committee to ensure training courses cover and refer to relevant standards within its content.
- Promote good relations with standards bodies
- Work with the Secretariat of ISCVE to ensure BSi deadlines are met and feedback/recommendations are given in an appropriate format.
- Poll ISCVE membership to seek their opinion on proposed amendments to standards.
- The Chair shall be the spokesperson for the committee and shall work with its members to ensure the efficiency of the committee's function.
- The standards committee should seek the guidance of council on any issues it thinks might be controversial.
